The annual process of developing, reviewing, and updating the SPSA includes a comprehensive review of data and the development of actions necessary to achieve school goals.
- Local Control Accountability Plan
 - The LCAP is a tool for local educational agencies to set goals, plan actions, and leverage resources to meet those goals to improve student outcomes. This page provides resources to support the planning, implementation and evaluation of an LCAP.
- Vision and Mission Statements
 - A Vision Statement describes the desired future position of the organization. A Mission Statement defines the objectives of the organization and its approach to reach those objectives. Elements of Mission and Vision Statements are often combined to provide a statement of the organization's purposes, goals and values.
