APPENDIX C- SETTLEMENT AGREEMENT

Settlement Agreement

The parties to this agreement are the Cutten School District ("District") and the Humboldt Bay Teachers Association ("Association"). As part of this Agreement, there will be separate, but related Agreements with each unit member impacted by the salary schedule placement issues described below.

The parties hereby agree as follows:

1. The parties understand and agree that both the Association and the District were involved in the decision to negotiate a new provision related to granting experience toward initial placement on the certificated salary schedule. In consideration for the terms set forth below, the parties explicitly and directly waive their rights to pursue any form of legal action on this matter, or to seek retroactive application of the new contract language.
2. The parties enter into this settlement agreement in an effort to meet the District's obligation to uniformly place certificated unit members on the salary schedule in accordance with Education Code section 45028.
3. The parties agree and acknowledge that the District has a practice of initially placing unit members on the salary schedule in accordance with Board Policy 4251.100, which grants one (1) step on the salary schedule for every two (2) years of experience outside the District, for a maximum step placement of six (6).
4. During 2018-19 contract negotiations, a dispute arose regarding the initial placement of numerous unit members. As a result, each party investigated current unit members' initial placements to determine any misapplication of the relevant policy.
5. As a result of those investigations, the parties agree that three (3) unit members were initially placed one (1) step higher than provided for in Board Policy 4251.100 (which was in effect on each unit member's date of hire) as follows:
 - a. Suzanne Rice, who was hired for the 2006-07 school year, was initially placed on step 3, but should have been placed on step 2. Ms. Rice is currently on step 15:
 - b. Mike Richards, who was hired for the 2013-14 school year, was initially placed on step 6, but should have been placed on step 5. Mr. Richards is currently on step 11.
 - c. Andrea Yip, who was hired for the 2018-19 school year, was initially placed on step 4, but should have been placed on step 3. Ms. Yip is

currently on step 4.

6. The parties agree and acknowledge that through this agreement, and effective July 1, 2019, Ms. Rice, Mr. Richards, and Ms. Yip will be placed uniformly as to all other unit members on the salary schedule.
7. During 2018-19 Contract negotiations, the parties negotiated **to** prospectively grant initial placement on the salary schedule one (1) step per one (1) year of **experience** under the District; for a maximum step placement of six (6), as to unit members hired on or after July 1, 2019.
8. During 2018-19 contract negotiations, the parties negotiated to prospectively change the placement of current unit members based on crediting current unit members one (1) *step* per one (1) year of experience outside the District (prior to employment), for a maximum step placement of six (6), effective July 1, 2019 (i.e., with no retroactive application),
9. The parties determined 11 unit members will be impacted by this change, as follows, effective July 1, 2019:

Name	Initial Step Placement (2:1) (eff. date of hire)	Change (1:1) (eff. 7/1/19)	Step Placement 2019-20

10. The parties agree that no unit member shall be entitled to retroactive compensation for being initially placed in accordance with Board Policy 42S1:100, which was in effect at the time of each of the above unit member's date of hire. In other words, the step enhancements described in Paragraph 8 shall be effective beginning July 1, 2019.
11. Through this agreement, the parties expressly waive their right to pursue any fOIID of legal action on this matter, except a grievance to enforce the express terms of this agreement. Further, HBTA agrees to defend and indemnify the District from and against all claims, actions, suits, demands, settlements, judgments, and costs and expenses (including attorneys' fees) arising out of any unit member's attempt to assert
