Open House Videos Available Now

Please visit your child's Google Classroom or the Cutten School District [website](#) for grade level Open House presentations. Watching them with your child is an excellent way to help prepare them for a great start to the 2021 - 2022 school year!

2021-2022 Planning Survey

Please return these forms or give the school offices a call ASAP to help us plan for full, five day a week school starting August 2021!

Humboldt Youth Soccer League

Coach and player registration for the fall season is coming soon.

This year, there is [online registration](#) only.

May Site Council Meeting Postponed

The May site council meeting is postponed until Tuesday, June 2, at 5:30pm. As always, the public is welcome! Agendas and minutes can be found on the district website.

Cutten & Ridgewood Library News

We are winding down the school year, and have a few reminders for our families:

- The last week for library visits is May 20 - 24.
- All materials, including TIP books, are due Friday, June 4.
- Bills for outstanding materials must be paid by Thursday, June 10.

Any student with outstanding library materials on the last day of school will have their report card held until the bill is paid or the item is returned.

Hand-Me-Down Clothing Needed At Ridgewood School!

Sometimes a spill or other accident requires a change of clothes at school. We are looking for gently used girls and boys clothing, sizes 5 through 8, for our spare clothes closet. Leggings, sweats, or stretchy pants are great because they tend to fit more students. We are also in need of girls' and boys' tennis shoes, all sizes for the younger set.

Humboldt County Library Children's Services

The Humboldt County Library offers quick and easy options or customized bags for children. Each bag is hand-picked for you by library staff, and can take a bit of time to prepare. Please make your request in advance if you can. You can request a grab bag by phone, or just use one of the forms linked below.

In addition to a grab bag, you can get up to 4 specific titles by using the [library catalog](#) to place hold requests.
