STATE TESTING IS UPON US!

Cutten students have begun taking the California Assessment of Student Progress and Performance (CAASPP). Teachers will share individual classroom schedules with families. To help your child be ready to do their best on the test, here are a few things you can do:

- Make sure they are on time to school every day during the test
- Schedule appointments outside of testing days
- Ensure a good night's rest
- Provide a healthy breakfast
- Send your child to school with lots of encouragement to try their hardest, without getting discouraged. These tests can be challenging, but they are only one measure, and they do not define your student.

YEARBOOKS

If you were unable to preorder the 2023-2024 yearbook, they will be available for purchase the last week of school at both sites. Pre-ordered books will be distributed to students then as well.

CUTTEN DROP-OFF AND PICK-UP

We've been having an increasing number of students being dropped off and/or picked up in the front of our school. Please remember, that for safety reasons, all students need to be dropped off and picked up at the back of the school. We have a crossing guard at Walnut and Primrose. Thank you for your cooperation in keeping kids safe!

3RD GRADE ORIENTATION

On Wednesday, June 5th, Ridgewood second graders will be heading over to Cutten to meet the 3rd grade teachers and get a tour of the school. Then on that evening, 2nd grade students and their families are invited to come back to Cutten at 6:00 for a short informative meeting and a tour of the school. Cutten looks forward to welcoming our incoming 3rd grade students and their families!!
