Dear Becky,

This email is to let you know that I have accepted a new position.

This was not an easy decision as Ridgewood is such a special place. It has been an honor to serve the families and students who make up the Cutten School District community, as well as to work alongside the district's incredible and compassionate educators.

My last date of employment will be Friday, December 16, 2022. Of course I will be available and happy to help with the transition of the incoming school social worker.

Sincerely,
Miranda Johnston

MEMORANDUM

TO: District Superintendents and Business Managers

FROM: Michael Davies-Hughes, Ed. D., Superintendent

SUBJECT: **CERTIFICATIONS – FIRST INTERIM REPORT**

Education Code Section 42130 et seq. requires a first period (10/31) and second period (1/31) interim financial report. Each district board must certify whether or not the district will be able to meet its financial obligations through the remainder of the fiscal year and subsequent fiscal years.

Attached is a first period financial reporting package for use in meeting this requirement. Please see the attached memo regarding processing your interim reporting package. **You should submit this information to your board for action by December 15.**

The enclosed District Certification of Interim must be completed by December 15 and returned to us as soon after as possible. Check the box for positive, negative or qualified depending upon your board's action. If the district self-certifies a qualified or negative condition, transmit any backup material to us as well, as we are required in that case to forward the report to the California Department of Education and state controller, together with any comment or backup material that we may have.

A qualified certification is required if a district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years. A negative certification is required if a district will be unable to meet its financial obligations for the remainder of this fiscal year or the subsequent one.

The Education Code, which prescribes the duties and responsibilities of county superintendents, requires us to complete a review and come to a conclusion as to each district's fiscal position. During the review period we may contact you for further information and will work closely with you if your certification or fiscal position indicates the need for a more in-depth review. In the event that our review does not support your board's positive certification, or if the board has certified other than positive, we will communicate our findings to you by January 15.

If you have any questions, please feel free to contact me at 445-7030.

DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

A2. Is the system of personnel position control independent from the payroll system?
